

Privacy Policy

Moscow

This Personal Data Privacy Policy (hereinafter referred to as the Privacy Policy) applies to all information that the Site of Profit House LLC located at the idiland.ru domain name may receive about the User while such User is using the Company's Site and the programs and products of the Site.

1. DEFINITION OF TERMS

1.1. The following terms are used in this Privacy Policy:

1.1.1. Company Site Administration (hereinafter referred to as the Site Administration) - employees authorized to manage the site, acting on behalf of the company Profit House LLC, who organize and/or process personal data and determine the purposes of processing personal data, the scope of personal data to be processed, and the actions (operations) to be performed with personal data.

1.1.2. Personal data - any information relating directly or indirectly to a specific or identifiable individual (personal data subject).

1.1.3. Processing of personal data - any action (operation) or set of actions (operations) performed with or without the use of automation tools with personal data, including the collection, recording, systematization, accumulation, storage, clarification (updating, amendment), extraction, use, transfer (distribution, provision, access), depersonalization, blocking, deletion, or destruction of personal data.

1.1.4. Confidentiality of personal data - a mandatory requirement for the Operator or another person who has gained access to personal data to prevent their dissemination without the consent of the personal data subject or other legal grounds.

1.1.5. User of the Company's Site (hereinafter referred to as the User) - a person who has access to the Site via the Internet and uses the Company's Site.

1.1.6. Cookies - a small piece of data sent by a web server and stored on the user's computer, which the web client or web browser sends back to the web server each time in an HTTP request when trying to open a page of the corresponding site.

1.1.7. IP address - the unique network address of a node in a computer network built using the IP protocol.

2. GENERAL PROVISIONS

2.1. The use by the User of the Company's Site shall signify acceptance of this Privacy Policy and the terms of processing of the User's personal data.

2.2. If the User disagrees with the terms of the Privacy Policy, he/she must stop using the Company's Site.

2.3. This Privacy Policy applies only to the Company's Site. The company's website does not control and is not responsible for third-party websites which the User can visit by following links available on the company's website.

2.4. The site administration does not verify the accuracy of the personal data provided by the User of the company's Site.

3. SUBJECT OF THE PRIVACY POLICY

3.1. This Privacy Policy establishes the obligations of the Company Site Administration for non-disclosure and provision of a regime for protecting the confidentiality of personal data

3.2. The company's website protects Data that is automatically transmitted when viewing ad units and when visiting pages on which a statistical system script ("pixel") is installed:

- IP address;
- information from cookies;
- information about the browser (or other program that provides access to the display of advertising);
- access time;
- the address of the page on which the ad unit is located;
- referrer (address of the previous page).

3.2.1. Disabling cookies may result in the inability to access parts of the company's website that require authorization.

3.2.2. The company's website collects statistics about the IP addresses of its visitors. This information is used to identify and solve technical problems and to control the legality of financial payments.

3.3. Any other personal information not specified above (Service ordering history, the browsers and operating systems used, etc.) is subject to secure storage and non-proliferation, except as provided in cl. 5.2. and 5.3. of this Privacy Policy.

4. PURPOSES OF COLLECTING PERSONAL USER INFORMATION

4.1. The User's personal data may be used by the Administration of the Company's Site for the following purposes:

4.1.1. Providing the User with access to the personalized resources of the Company's Site.

4.1.2. Establishing feedback with the User, including sending notifications and requests regarding the use of the company's Site and the provision of services and processing queries and requests from the User.

4.1.3. Determining the location of the User to ensure security and prevent fraud.

4.1.4. Confirming the accuracy and completeness of personal data provided by the User.

4.1.5. Creating an account for placing an order for the Service, if the User has agreed to create an account.

4.1.6. Providing the User with effective customer and technical support in case of problems related to the use of the Company's Website.

4.1.7. Providing the User, with his/her consent, with product updates, special offers, pricing information, newsletters, and other information on behalf of the company's website or on behalf of the partners of the website.

4.1.8. Implementing advertising activities with the consent of the User.

4.1.9. Providing the User with access to the sites or services of the partners of the Company's Site in order to receive products, updates and services.

5. METHODS AND TIME FRAMES FOR PROCESSING PERSONAL INFORMATION

5.1. The processing of the User's personal data is carried out without any time limit, in any legal way, including in personal data information systems with or without using automation tools.

5.2. The User's personal data may be transferred to authorized government agencies of the Russian Federation only on the grounds and in the manner established by the legislation of the Russian Federation.

5.3. In the event of loss or disclosure of personal data, the Site Administration shall inform the User about the loss or disclosure of personal data.

5.4. The site administration shall take the necessary organizational and technical measures to protect the User's personal information from unauthorized or accidental access, destruction, modification, blocking, copying or distribution, as well as from other illegal actions of third parties.

5.5. The site administration, together with the User, shall take all necessary measures to prevent losses or other negative consequences caused by the loss or disclosure of the User's personal data.

6. OBLIGATIONS OF THE PARTIES

6.1. The user is obliged to:

6.1.1. Provide information about personal data necessary for the use of the Company's Website.

6.1.2. Update or supplement the provided information about personal data in the event of changes in this information.

6.2. The site administration is obliged to:

6.2.1. Use the information received solely for the purposes specified in clause 4 of this Privacy Policy.

6.2.2. Ensure that confidential information is kept secret and not to disclose it without the prior written permission of the User or sell, exchange, publish or disclose the transferred personal data of the User in any other possible way, with the exception of cl. 5.2. and 5.3. of this Privacy Policy.

6.2.3. Take precautions to protect the confidentiality of the User's personal data in accordance with the procedure usually used to protect this kind of information in existing business practices.

6.2.4. Block personal data related to the User in question for the verification period from the moment the User or his/her legal representative or an authorized body for the protection of the rights of personal data subjects so requests, if inaccurate personal data or illegal actions are identified.

7. LIABILITY OF THE PARTIES

7.1. The site administration, if it has not fulfilled its obligations, shall be liable for losses incurred by the User in connection with the unlawful use of personal data in accordance with the legislation of the Russian Federation, with the exception of cases provided for in cl. 5.2., 5.3. and 7.2. of this Privacy Policy.

7.2. In the event of loss or disclosure of Confidential Information, the Site Administration shall not be liable if this confidential information:

7.2.1. Became public before its loss or disclosure.

7.2.2. Was received from a third party before it was received by the Site Administration.

7.2.3. Was disclosed with the consent of the User.

8. DISPUTE RESOLUTION

8.1. Before filing a suit in court for disputes arising from the relations between the User of the Company's Site and the Site Administration, submission of a claim (a written proposal for a voluntary settlement of the dispute) is mandatory.

8.2. The recipient of a claim, within 30 calendar days from the date of receipt of the claim, shall notify the claimant in writing about the results of the consideration of the claim.

8.3. If an agreement is not reached, the dispute will be referred to a judicial authority in accordance with the current legislation of the Russian Federation.

8.4. The current legislation of the Russian Federation applies to this Privacy Policy and the relations between the User and the Site Administration.

9. ADDITIONAL TERMS

9.1. The site administration has the right to make changes to this Privacy Policy without the consent of the User.

9.2. The new Privacy Policy shall come into force from the moment it is posted on the Company's Website unless otherwise stipulated by the new version of the Privacy Policy.

9.3. All suggestions or questions about this Privacy Policy should be reported to the email address info@idiland.ru
